LINE CARD

ENERGY RECOVERY AND DEHUMIDIFICATION SYSTEMS

Modular and Packaged Air to Air Heat Exchangers, Energy Recovery Wheels, Dehumidification Systems, Heat Pipe Energy Recovery Systems, Pool Ventilation and Dehumidification Systems, Desiccant Dehumidifiers, Pumped Refrigerant Heat Pipe Run Around Systems

MANF BY: Annexair, Clean Air Designs, Air Enterprises (AEI), Heat Pipe Technologies, Cambridgeport Air Systems (CAS), Bry-Air, Dehumidifier Corp. of America, Thermotech Energy Recovery Wheels,

FANS AND VENTILATION PRODUCTS

"Tri-Stack" Fume Exhaust Fan, Industrial Axial Fans, Centrifugal Fans, Plastic and Fiberglass Fans

MANF BY: Strobic Air

LABORATORY PRODUCTS

Laboratory Fume Hoods, Lab Airflow and Pressure Controls

MANF BY: Lab Crafters/Air Sentry, GMP Laboratory Products & Services (Tek-Air)

HEATING, AIR CONDITIONING AND ENVIRONMENTAL CONTROL SYSTEMS

Single and Double Wall Factory Fabricated or Field Erected Custom Air Handlers and Penthouses, Make-up Air Units, Laminar Flow Regain Air Handling Units, Hi Pressure Water Humidifiers, Air Quality Monitoring and Control

MANF BY: Air Enterprises (AEI), Annexair, Clean Air Designs, Cambridgeport Air Systems (CAS), Dynamic Air Corporation, TMI Custom Air Systems, Mee Fog

RENEWABLE ENERGY

SolarWall® Transpired Solar Collector

MANF BY: Conserval Engineering

COILS

Heating & Cooling Coils, DX coils, Steam Coils, Aeromix Integral Face and Bypass Coils

MANF BY: Aerofin

AIR DISTRIBUTION PRODUCTS

VAV Systems, Powered and Non Powered Diffusers, Linear Air Control Valves, Air Flow Measurement and Control

MANF BY: Acutherm "Therma-Fuser", GMP Laboratory Products & Services (Tek-Air)

VARIABLE FREQUENCY DRIVES AND MOTORS

VFD's For Fans, Pumps and Cooling Towers, Premium Efficient and Inverter Duty Motors

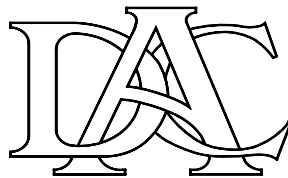

MANF BY: Rockwell Automation
