DID YOU KNOW?

-  **DAC wins awards at ASHRAE!** DAC was recently awarded the Eastern Regional and National Sales Rep awards for 2006 by **Strobic Air**. DAC also received a Goal Buster award from **Acutherm**. While everyone at DAC worked very hard to achieve these awards, we do owe thanks to all of our customers who helped us this past year. We appreciate the support and look forward to another successful year. Here's to 2007!
-  **It's a Girl!** Congratulations to Cheryl Rossini and her husband, Mike, on the birth of their second daughter. Christina Marie arrived on November 11. Both Christina and her big sister, Angela, are doing well.
-  **Future Engineers Scholarships are now available!**
The Student Activities Committee for the Boston Chapter of ASHRAE is pleased to announce that they will once again offer scholarships for future engineers! Thanks to the generosity of their donor, Mr. Teerachai Srisirikul, they will be offering 14 scholarships of \$2,000 each to worthy engineering students. Any high school or first or second year college student interested in engineering (any discipline) is eligible. Visit www.ashraeboston.org/scholarships.cfm to obtain an application. **Deadline is March 30, 2007**
FMI, call or e-mail Jim or Cheryl as they are both involved with the Student Activities Committee.
-  **Daylight Saving Time is March 11!** Per the *Energy Policy Act of 2005*, signed by President Bush in August 2005, DST now begins the 2nd Sunday of March and ends the 1st Sunday in November. Don't forget to set your clocks ahead!

UPCOMING EVENTS

-  **Boston ASHRAE March Meeting - Tuesday, March 20 - Doubletree, Waltham**
Terry Townsend, P.E., 2006-07 ASHRAE President, will do his presentation on "Sustainable Design Applications" at the Boston Chapter meeting on **Tues., March 20**. Space is sure to fill quickly so be sure to get your RSVP in early to reserve your seat! FMI, visit the Boston ASHRAE website at www.ashraeboston.org/meeting.cfm or feel free to e-mail Teri or Jim.
-  **Building Energy 2007- March 13 - 15 - Seaport World Trade Center, Boston**
The Practice of Sustainability – Building for a Changing Climate
Sponsored by Northeast Sustainable Energy Association (NESEA)
BuildingEnergy07 features in-depth workshops and sessions by more than 150 experts on a wide range of topics - climate change in the U.S. and abroad; carbon stabilization; high performance buildings--including green hospitals; adaptive re-use; large scale renewables; daylighting; near net zero energy buildings; wind power; green design; integrated water systems; solar applications; financing green projects; green campuses and institutions; human health issues.... and much more. This year's focus on Climate Change includes a FREE PUBLIC FORUM on Wind Power in the Wild. If you care about sustainability, this is where you belong! For more information visit <http://buildingenergy.nesea.org>.
-  **DAC Presents.... Sustainable Design Series: Lab Design - May 2007, date TBD**
It's getting to be that time! DAC will once again offer a half-day seminar in May; date and location to be determined. Stay tuned for more details! If you wish to receive notification and an invitation, e-mail Teri and let her know you're interested.
